For Immediate Release

August 10, 2012

The City of Chico Animal Shelter is looking for foster homes for several mother cats and their kittens. Mom cats need to be fostered until their kittens are old enough to be weaned and put up for adoption. If you have a quiet indoor area where you can keep a mother cat and kittens separated from other pets, and are able to provide food and litter for several weeks, please contact the City of Chico Animal Shelter at 894-5630 for more information or come down to the shelter to fill out a Foster Application.

The City of Chico Animal Shelter also has many cats and kittens available for adoption. Please visit the shelter and ask a City of Chico employee to show you the cats that are available. The Chico Animal Shelter is open every day from noon until 6:00 PM and until 7:00 PM on Mondays and Thursdays.
